

## Christmas Project

This Christmas, make a difference in the life of a Dominican teenager.

With \$5, you can buy a Spanish Bible for one of our youth.

With \$15, you can cover half of the cost of a week of Christian camp. The teenager will have the opportunity to be involved in service projects to raise the other half.

With \$25, you can buy a pair of tennis shoes for a teenager who does not have any shoes.

### **Families:**

Have a fun time collecting money for one of these projects while teaching an important lesson to your children. Explain that Dominican children do not own many things. Many do not even have one pair of shoes, but they are happy and thankful for what they have.

Then take inventory on items in your own home to show how much you have in comparison. Collect a certain amount of money for each item you count (a dime for each pair of shoes you own, a quarter for every blanket, \$1.00 for each television or computer, a nickel for canned goods, etc.). Use the money you collect to help a teenager in the Dominican.

Send your gift to Cedar Falls Church of Christ, 2727 West Fourth Street, Cedar Falls, IA 50613. Please designate which Christmas project you would like it used for.

***Thanks for making a difference this Christmas!***
